Few pieces of music, except for the carols we all love, say Christmas as much as Tschaikovsky's "Nutcracker Suite". It will be the centerpiece for the Tri-County Music Association's Christmas Concert Sunday afternoon at 3 o'clock at Old Rochester Regional High School.

And, when the sugar plum fairies have danced out of our heads, the music of "A Christmas Festival" and "Christmas Music for Winds" will move right in to keep the holiday spirit alive.

Chuck Mangione's "Bellavia" and a selection of Russian Christmas music also will be heard on the program by John Pandolfi and the Regional Symphonic Band.

REGIONAL SYMPHONIC BAND CONDUCTOR JOHN PANDOLFI AND FLUTIST MARCIA WESTERGARD OF MARION ARE IN THE MOOD FOR SUNDAY'S TRI-COUNTY MUSIC ASSOCIATION'S CONCERT.

## Selectmen's Meeting

SEWER EXTENSION VOTED

Mattapoisett Selectmen voted to contract Bay Corporation to install the sewer pipe extension on Route 6 from Pearl Street west to pick up those buildings now connected to storm drains on a cost plus basis not to exceed $40,000. This work will be done under the original amount of the total contract. The Selectmen want the work complete before the Spring of 1979 when the State will resurface Route 6.

In related business, the Board was notified that a letter has been sent to the E.P.A. from the engineering firm of Tighe & Bond reporting the Mattapoisett Water Pollution Control Project as 90% complete in the collection system and 60% complete for the pumping station.

COMMERCIAL SCALLOPING VOTED

## Elderly Housing Grant

$1.92 MILLION GRANT FOR HOUSING FOR ELDERLY IN MATT.

Representative William Q. MacLean, Jr. has announced that the town of Mattapoisett has been awarded a grant of $1.92 million for elderly housing by the Massachusetts Department of Community Affairs. The department made the official pronouncement at a press conference Friday afternoon.

"Out of 88 applicants, Mattapoisett is one of only 13 recipients that will share in the $29 million Round III funding authorized by the Elderly Housing Act passed by the legislature in 1977," stated Representative MacLean. "The Department of Community Affairs was impressed by the need demonstrated for elderly housing in Mattapoisett, by the strong local support that proposal received and by the management capability exhibited by the Mattapoisett Housing Authority. With $25,000 available immediately for site selection, appointment of an architect and preparation of the

ORR VOLLEYBALL CHAMPS AGAIN AND AGAIN AND AGAIN

The ORR Volleyball team has again won their league championship. The team entered the league three years ago and has won the championship every year thus far.

Coach Joao Rodrigues attributes that success to the hard conditioning and basic skills he stresses.

We have been very fortunate to have girls who are willing to give of themselves and have had tremendous parent support.

The team has won 43 games and lost 3 during this time.

The team captains are Beth Lammi and Ann Worden. All 12 girls seen pictured went to the state tournament this year and because of the team's total strength all were used in tournament play.

Unlike most high school sports, volleyball has no class divisions. Last year we were eliminated from the finals by Brockton High School which has about 6000 students. This year we beat Boston Latin and Bishop Feehan but lost to Taunton which would have put us in the finals.

Other varsity players who could not be taken to the tournament because of the limited 12 girl entry were Nancy Wilbur, Veronique Provis, Donna Linhares, Chris Hubbard, Anna Coelho and Bela Ishrish.

## Tabor Concert

REHEARSING FOR TABOR CHRISTMAS CONCERT: VINCENT LANCISI, MARY BETH O'DONNELL, BARBARA PUMPHREY, MATTHEW TWOMEY.

A BAROQUE CELEBRATION

On Friday evening, December 8th, the Tabor Music Department will host a Christmas Celebration with music of the Italian Baroque Era (1600-1725). Maestro Rudolph Schlegel will conduct the Plymouth Philharmonic Chamber Orchestra in selections by Corelli (the famous Christmas Concerto), Vivaldi and Sammartini. Mr. Michael Pavone, Music Director at Tabor, will conduct the orchestra and the combined Choruses of Tabor and Notre Dame Academy in the program's highlight, the Pergolesi "Magnificat".

The public is cordially invited to take part in this seasonal celebration in the Wickenden Chapel on Spring Street in Marion at 7:30 P.M. There will be carol singing by all in attendance accompanied by organ and brass choir. Additional instrumental selections will be performed with harpsichord and recorder. A Brass Octet will herald the opening and closing of the program with fanfares before the carols and soaring descants sung by the choirs. All are urged to come early for a seat at this merry musicmaking in the 17th century manner.

## Region School Philosophy

OLD ROCHESTER REGIONAL DISTRICT/ UNION PHILOSOPHY COMMITTEE FORMED

At their joint meeting October, 1978, the joint school committees of Massachusetts School Superintendency Union No. 55 and the Old Rochester Regional School District determined their priorities for the school year 1978-1979. A top priority was the development of a common educational philosophy for the towns of Marion, Mattapoisett and Rochester and for the Old Rochester Regional School District.

Under the direction of the Superintendent, Joan Walsh, a committee composed of teachers, school committee members, students, administrators and parents, representing the various towns and educational levels from kindergarten through the 12th grade, has been formed.

OPEN FRIDAY EVENINGS

The Committee held its first meeting on November 30 in the library of the Old Rochester Regional High School. Its goal is to complete the writing of the philosophy before the end of this school year. In it the committee wishes to deal with the questions of child growth and development, the process of learning as it involves the learner, the teacher and the parent, the curriculum in terms of what we learn and how we learn it, and evaluation of pupil progress and programs.

The Committee hopes also to define philosophy in terms of the times we are living, where we live and the role of the public school.

The following representatives serve on the Committee: Maryanne Brennan, Mattapoisett parent; Michael Burnett, Old Hammondtown, 6th grade student; Katherine Dalbec, teacher at Center School, Mattapoisett; Tricia Duane, teacher at the Sippican School, Marion; Spencer Gurney, senior at Old Rochester Regional High School; Katherine Kozicki, principal at Center School; Melissa LaCrosse, 8th grade student, Old Rochester Regional Junior High School; Gerard Oliva, social studies teacher, Old Rochester Regional Regional High School; Dennis Paquette, teacher at Rochester Memorial School; Kay Reis, Marion School Committee member; Claire Russell, Old Rochester Regional High School parent; Richard Sullivan, director of special needs, District & Union; Mary Sylvia, Rochester parent; Joanne Vogelsang, Rochester School Committee member; Joan Walsh, superintendent of schools and chairman; Bruce West, Marion parent; William Wood, Old Rochester Regional School District School Committee member.

The Committee invites any person wishing to express thoughts or concerns on any of those questions to speak with it or to call

## *Women's Alliance*

FAIRHAVEN UNITARIAN CHURCH

On Thursday afternoon, December 14, Miss Dorothea R. Paull, President, and Mrs. Marjorie F. Cory, Vice President, will welcome the members and many guests from the Federation of Women's Church Societies of Fairhaven and the Bradford Russell Home to a very delightful Yuletide celebration of "An Olde English Christmas". This will take the place of the regular monthly meeting of the Women's Alliance of Fairhaven Memorial Church.

The afternoon will open at one-thirty in the Parish House with dessert and coffee served by the Turquoise Chain of Hostesses with Mrs. Alvin L. K. Tunstall, Jeweler, and Mrs. William F. Pelton, Jr., Co-Jeweler.

At two o'clock a musical and dramatic program will be presented by the Creative Arts Council of the Church, Mildred Jones Keefe, Director, with music by the Triple Quartet of Fairhaven High School under the direction of Antonio Santos, Director of Music, Fairhaven Public Schools. Three traditional Olde English customs will be enacted: (1) "Bringing in the Greens" with Miss Paull in the role of the Lady of the Manor and six girls from the Triple Quartet as singing Waits - Maureen Amaral, Bonnie Brault, Karen Habedank, Jean Lawton, Kim Tadgell and Kathy Winey; (2) "Stirring of the Pudding" in which the entire company participates, and will sing favorite carols under the leadership of Mrs. Ellis H. Whitaker; (3) "Feast of Lights" to climax the program with a concert of beautiful Yuletide music by the Triple Quartet with Mr. Santos, Director. At the close there will be the lighting of Christmas candles given to all the guests in commemoration of the coming of the Christ Child into the world.

ORR'S CONSUMER PROWLERS

For the past month you might have seen some of ORR's students in stores and visiting businesses with pen and pad.

These are some of ORR's four classes of Consumer Math students out on the street doing their homework.

The Consumer Math course at ORR is offered at 2 levels of competency and requires students to work on outside projects.

The course covers topics such as Budgeting your Household, Buying a Car, Buying Insurance, Sales Tax, Excise Tax, Consumer Credit, Charge Accounts, Advertising, Buying a Home, Public Utilities and many more mathematical formats used in living in our society.

The course was developed ten years ago by its instructor, Joao Rodrigues, with the help of Mr. James Pasquill, the Director of

Instruction.

Our students have a very busy classroom setting involving living units.

Materials for this course must be updated each year from outside sources.

The part I enjoy most, as an instructor, is seeing and hearing about my students and their episodes in contacting merchants, bankers, lawyers and others.

Many students do price comparisons of clothes, food, tools and even services such as funeral parlors.

We have had students study and research the cost of being born, having a wedding, going to college and even death.

Comparison of interest on savings accounts, loans, and bank services are common topics.

One of the most ingenious projects was planned 2 years ago by Sue Harpin (graduated 1976) where she needed repair work done to her car and had her uncle visit five service stations for an estimate. She then visited the same five service stations two weeks later with the same car and received five estimates each higher than the ones her uncle had.

Some of this term's better projects were done by Anne Fistori and John Langlois on tool price comparison, Lori Middleton who compared food prices from the rural market to the urban one, Nancy Ripple's large shopping store pricing, Mark Fairweather's visiting 13 stores on shaving equipment, to Polly Duff and Lori Contant's pricing of restaurant food.

In the coming months we will be pricing toys, new 1979 cars, electric rates through the country, new paint jobs for cars, clothing prices, buying boats, insulating homes, buying land, and buying furniture.

A MOMENT FROZEN Editorial, D.C.J.

If any particular second in modern history is indelible it is that moment when the radio bulletin reporting the Pearl Harbor attack reached the U. S. population. Most people who received that news will remember exactly what they were doing, the trivial events of that day even to the weather. This news changed more U.S. lives than any other action in our history.

A short while ago, in a discussion with friends of the book, "The Last Convertible", all of us were conscious of a glaring error made by the author who had captured the flavor of that period so very well in every other detail. The book had the convertible traveling from Cape Cod in a snowstorm on December 7, 1941. Everyone of us recalled that that Sunday was unusually warm with a December sun. It so clashed with our vivid memory that it scarred the whole mood of a book that in every other respect captured that time. You simply cannot take artistic license with that day.

Those of us who passed through Pearl

Harbor experienced an eerie mental link with the sailors still entombed deep in their ship in water so blue, so peaceful as befits the shore of a paradise. From those deep blue depths we fought our way across that great ocean island by island and the cream of our youth was spent on those foreign sands with that effort.

That one moment changed the lives of millions and ended the lives of hundreds of thousands and is indelibly etched in the conciousness of every survivor.

Every event of today started in that December morning at Pearl. We spent our youth and we spent our treasure in the war that followed and the foreign aid that has been flowing ever since to friend and foe alike until we cannot tell one from the other except by their riches. If the United States dollar has weakened today it is due to the greatest outpouring of strength and weakness ever demonstrated by a sovereign nation. It stemmed from December 7, 1941 in a distant ocean and we all remember it so well.

It is past the time for a reassessment of priorities before we rescue the world and lose our country in that effort. We don't need another moment to remember.

FIELD WALK

The morning field walk this Saturday, December 9th, will take a very close look at the local environment and study how the changing climate effects the habitats and habits of our local animal residents. The walk will examine each habitat on its mini-scale, and help us to become familiar with a world very different from our own. Look at the coming winter from an animal's eyeview. The walk will

SATURDAY PROGRAM

Craig Newberger from the Learning Tree School in Tiverton will bring the Saturday, December 9th, program outside to hunt for animal tracks and teach us how animals prepare for winter. Animals preparing for winter and hunting for food leave telltale signs, snow or not. Can you find them? Our Saturday program will explore the woods, checking for clues and trying to find out which animals prepare themselves for the coming snows and drastic changes in their regular food hunting. Our winter excursion will leave the Children's Museum in Russells Mills at 2:00 P.M. Please dress for the weather. A small admission is charged non-members. Any age is welcome.

BIRD SEED SALE

The Children's Museum second Bird Seed Sale of the season will be held on Saturday, December 9th. This is the pickup day for all ordered bird seed. There will be some seed for "off the street" sales.

ILLUSTRATED TALK
REPORT FROM THE FIELD
An illustrated account of John Bockstoce's thousand mile voyage by Eskimo umiak from the Mackenzie delta to Victoria Island in Canada's Northwest Passage will be held this Thursday, December 7th, at 8:00 P.M. at the Museum Theater at the Whaling Museum, 18 Johnny Cake Hill, New Bedford. Refreshments will be served.

A Kentucky coal merchant paid the highest price ever for a used car: $280,000 in 1974 for a Rolls Royce Phantom once owned by Queen Juliana of the Netherlands. (It has not been reported whether the seller had to throw in four new tires to clinch the deal.)

Almost 9 of every 10 students continue their education upon graduation. Stang prides itself in the orderly fashion with which the school operates thus providing the correct learning atmosphere essential for education to take place. Approximately 4,000 Stang graduates located throughout the world have achieved notable success in all areas of endeavor.

## Future Nurses

PROGRAM AT TOBEY

Thirty-two young volunteers representing six area schools are now participating in the Future Nurse Program at Tobey Hospital. This project, sponsored by the Tobey Hospital Guild under the direction of Mrs. William E.C. Warr, Jr., Guild president, gives the young ladies an opportunity to serve on the nursing floors of the hospital in order to introduce them to nursing as a future profession.

During their orientation, the students were exposed to hospital traditions, personal and medical ethics, and the standards of quality, dignity, and courtesy necessary to a hospital. Then, as Future Nurses, they were taught and assigned the many functions they would perform throughout Tobey for at least two hours a week during the year.

Those taking part in the program are:

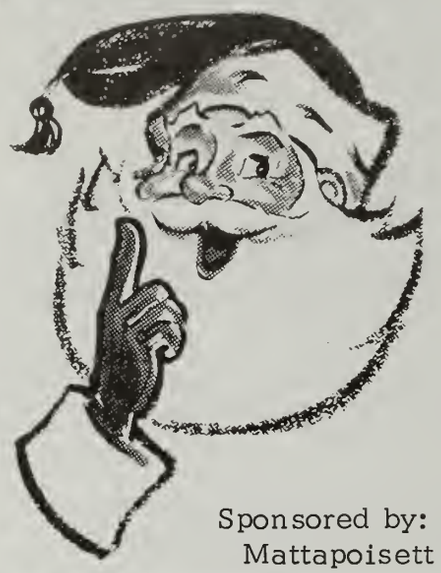
SURPRISE

# Santa Visits to Your House!



YES, Jovial Santa will again take time off from his busy schedule to spring a surprise visit on your children at home.

Let him know which night is best for you. Santa's quick visit will be fondly remembered for years to come!

Drop a note with your phone number and preference of Dec. 17th through Dec. 23, 6 to 9 P.M. Santa's helpers will make arrangements on first come - first served basis. Please enclose a donation of $5.00 to help feed the reindeer during their long trip from the North Pole.

partnership program in southeastern Massachusetts and Cape Cod which will help fund a Community Development & Education project in the African nation of Kenya during 1978-79.

Under the leadership of Lions District 33-S Governor Richard Pierce of Plymouth and District Lions-CARE Chairman Jesse Armell of South Attleboro, the Lions have pledged a goal of $2,503 to help construct a six-classroom addition to a school in the community of Likoni in the province of Mombasa.

Richard Calandrella, CARE's Director of Development in New England, reported that this project is part of a widespread series of community development projects currently underway in Kenya designed to help rural families raise their standard of living.

Other types of projects include development of fish ponds for fish breeding, training in new agricultural techniques, distribution of agricultural tools and vocational training equipment, construction of schools, health clinics, medical dispensaries and day care centers, and many other development-oriented projects, the CARE official said.

In past years, District 33-S Lions have supported medical projects in Nicaragua, well digging projects in Nigeria, and school construction in Honduras, Kenya and Korea.

CHRISTMAS SEALS

One of the best ways we know to spread goodwill during this holiday season is to glue one of the cheery Christmas Seals designed by America's school children on your package or message.

Recipients will share the Christmas-like feeling. More important, they will know that you, like the Southeastern Massachusetts Lung Association (SEMLA), care about every breath they take.

Christmas Seals truly are a holiday tradition, dating back to the early 1900's when a Danish postal worker was sorting out Christmas mail and, caught up in the Holiday spirit, wondered how he could help children afflicted with tuberculosis.

Einar Holboell hit upon the idea of selling some type of stamp or seal for a penny that could be affixed to the holiday mail and the proceeds used to build a hospital. Holboell's superior liked the idea. Even King Christian IX endorsed it and urged Danes to buy the seals. Thus it was in 1904 that the first Christmas Seal, with the portrait

of Queen Louise, was sold, initially in Denmark and eventually in other Scandinavian countries.

Meanwhile, in 1907, Miss Emily Bissell, an American Red Cross worker from Wilmington, Delaware was hard pressed to raise $300.00 to save a small TB hospital run by her cousin. Remembering an article about the Danish TB Seals in a magazine written by Jacob Riis, a Danish American social worker, she set out to follow Holboell's example with the Christmas Seals.

Miss Bissell and a friend, Lewis C. Vandegrift, designed the first seal, showing a Christmas wreath circling the greeting, Merry Christmas (another version showed Merry Christmas and Happy New Year). On December 7, 1907, the first U.S. Christmas Seal went on sale in Wilmington, netting Miss Bissell $3,000.00, which not only was enough to continue the TB work at the hospital, but also established the precedent for today's sales.

Figures released from the 1977-1978 American Lung Association's annual report show that nearly $3 million dollars, thanks in

## Deck The Halls– And Your Table Too!

Party givers will love this elegant conversation piece for buffet dinners over the holidays. An imaginative way to put left-over turkey to work, *"Turkey Iceberg Mousse"* provides an unusual and delicious addition to a party menu. This creamy blend of iceberg lettuce, turkey, onion and seasonings prettily molded is festive fare indeed when set atop a frilly bed of iceberg lettuce leaves and garnished with the blush of cranberries. *"Turkey Iceberg Mousse"* is an elegant concoction which captures the holiday hues dramatically and is sure to win many compliments from party guests.

### TURKEY ICEBERG MOUSSE

1 head western iceberg lettuce
1 cup turkey or chicken broth or consomme
1 1/2 to 2 cups diced cooked turkey
1 small onion, cut into chunks
1 cup real mayonnaise
2 tablespoons lemon juice
3/4 teaspoon salt
3 envelopes gelatin
1/2 cup water
1 cup whipping cream
Whole cranberry sauce

Core, rinse and thoroughly drain lettuce. Reserve 5 outer leaves; shred enough remaining lettuce to make 2 cups, tightly packed. Place shredded lettuce in blender with broth; whirl until smooth. Add turkey, onion, mayonnaise, lemon juice and salt; whirl until smooth. Mix gelatin and water; heat, stirring, until dissolved. Blend with turkey mixture. Chill until mixture mounds softly on spoon. Meanwhile whip cream until stiff. Fold into turkey mixture. Turn into 6 cup mold. Chill until firm. Unmold on serving platter atop reserved outer leaves; spoon cranberry sauce around mold. Makes 8 servings.
